**Garden of Memory**

God's finger touched her and she  
    slipped away  
From earth's dark shadows  
    to a brighter day;  
God saw the road was getting rough  
    and the hills were hard to climb;  
He gently closed her weary eyes,  
    and whispered, "Peace be thine".  
To a beautiful garden this friend has gone,  
    to a land of perfect rest;  
Though she is gone, she still lives on  
    in the garden of memory.
