**A Successful Man**

*A man is a success –  
who has lived well, laughed often and loved much;  
who has gained the respect of intelligent men  
and the love of children;  
who has filled his niche and accomplished his task;  
who leaves the world better than he found it;  
who has never lacked appreciation of earth's beauty  
or failed to express it;  
who looked for the best in others  
and gave the best he had.*

*Above all, Don was a devoted dad, grandpa and great-grandpa  
and he will live on in the hearts of his family forever.*
