You Meant So Much

*You meant so much to all of us
You were special and that's no lie
You brightened up the darkest day
And the cloudiest sky*

*Your smile alone warmed hearts
Your laugh was like music to hear
I would give absolutely anything
To have you well and standing near*

*Not a second passes
When you're not on our minds
Your love we will never forget
The hurt will ease in time*

*Many tears I have seen and cried
They have all poured out like rain
I know that you are happy now
And no longer in any pain.*
