

George "Dale" Linderman was born March 20, 1924 in Wells County to George and Christine (Valer) Linderman.

He was united in marriage to Jean Hanson at the Federated Church parsonage September 1, 1946. They made their home on the George Linderman farm before moving to Lemert. In 1953 they moved to their new home in Birtsell Township where Jean and Dale farmed and raised their family.

Dale was an active member of the community. He was a member of the Federated Church in Carrington serving on the church board. He also served on the Birtsell School and Township boards and was an assistant Boy Scout leader.

In 1958 he received the Outstanding Young Farmer Award. Dale served in the North Dakota State House of Representatives from 1963-1966, 1969-1974 representing District 14.

Over the years Dale and Jean enjoyed traveling, visiting all 49 continental states. Some of the best adventures were camping with their children and visiting family and friends near and far. ## ***"I BELIEVE IN FARMING"***

I believe a man's greatest possession is his dignity and that no calling bestows this more abundantly than farming.

I believe hard work and honest sweat are the building blocks of a person's character.

I believe that farming, despite its hardships and disappointments, is the most honest and honorable way a man can spend his days on earth.

I believe my children are learning values that will last a lifetime and can be learned in no other way.

I believe many of the best things in life are indeed free; the splendor of a sunrise, the rapture of wide open spaces, the exhilarating sight of your land greening each spring.

I believe true happiness comes from watching your crops ripen in the field, your children grow tall in the sun, your whole family feel the pride that springs from their shared experience.

I believe when a man grows old and sums up his days, he should be able to stand tall and feel pride in the life he's lived.

I believe in farming because it makes all this possible.
