Recipe for a *Mother's* Love

Take one heart full of unconditional love,
Two heaping cups of patience,
A handful of courage,
One pinch of laughter and tears,
And a dash of sleepless nights.

Season with creativity, intuition,
tenderness and dedication.

The result is an invincible warrior.
One who can ground us with roots,
And yet is able to give us the wings to fly.
One who dedicates her life and soul to her family,
Holding our hands and making an imprint on our hearts.
Being a mother the greatest gift a woman can have.
