A Life Well Lived

**A Life Well Lived
Is a precious gift
Of hope and strength and grace
From someone who has made our world
A brighter, better place.**

**It's filled with moments sweet and sad,
With smiles and sometimes tears,
With friendships formed
And good times shared
And laughter through the years.**

**A life well lived
Is a legacy
Of joy and pride and pleasure,
A loving, lasting memory
Our grateful hearts will treasure.**
