## Our Aunt

Our aunt was to us the greatest person in this world,  
one of a kind and one in a million.

She had the biggest heart with the most caring touch,  
which she shared with so many of us.

Her soul was made of pure love,  
yet she was worth more than gold.

In our eyes, she will always be,  
the most beautiful person to have walked the earth.

To us she was the smartest woman we knew,  
and it truly did show.

There is no one that compared to her,  
no one that even came close.

We appreciate all the advice she had given us,  
we take it in with immense gratitude.

The memories we will forever cherish,  
for they are priceless.

For all she has done, we will forever be thankful,  
and our love for her only grows more with each day that passes.

On a high pedestal is where we hold her,  
for we admire her so much more than she knew.

Having her a part of our life was the greatest gift of all,  
being in her presence was God's blessing to us.

Looking deep inside of her,  
we saw that strong, wise person we hope to become.

Giving, helpful, loving, caring, and kind,  
is what defined her.

She was not only our favorite Aunt, but she was our role model,  
and to be like her, would be our only wish.
