LeRoy E. Hart

I Farmed the Land

I farmed the land.

I tramped the wood,

These are the things I understood.

No grand schemes, they passed me by.

I knew the brook, the hills, the sky.

*To hunt a bird, to wet a line,
gifts from God, so good and fine.*

*Friend and kin, I loved them so;
Although I'm gone, I'm sure they know,*

*I'm now at peace, life's battle done,
I've faced the foe and I have won.*
