

Micheal (Mike) Frederick Bauer, age 62, of San Francisco, California passed away on July 31, 2020 after a short battle with cancer.

Micheal was born on August 9, 1957. He was the only child of Dorothy and Merle Bauer.

He graduated from Carrington High School and Concordia College, Moorhead, Minnesota followed by Southern California College of Optometry at Fullerton, California.

Upon graduation, Micheal decided to make California his home. His decision to move to San Francisco was based not only on his love for the beauty of the city but also his respect for the diverse population.

Micheal worked in the interior design industry for 36 years. Based in San Francisco, he worked in sales on a national level and traveled throughout the United States and Canada. He attended trade shows on a regular basis, including the annual show in Paris and textile mills in France, Switzerland and Italy.

His most recent employment was with the highly respected Glant Textiles, where he served as the company's National Sales Manager. Throughout his career, Micheal was a natural mentor to many and was highly respected in his field. His ability to relate to all he met and instantly gain their trust was a gift he was well known for.

Micheal, along with his partner of 21 years, Mario Herrada, shared a great passion for international travel, art exhibits and music. Traveling to countries around the world enabled them to make friends across foreign borders, especially Italy. His music taste included his love for David Bowie and the Rolling Stones as well as season tickets to the San Francisco Opera.

Micheal followed politics closely on both the local and national level and proudly supported the Democratic Party. His love for nature led him to become a member of the World Wildlife Fund and the Wilderness Society.

Micheal is survived by his mother, Dorothy Bauer, and his life partner, Mario Herrada. He was preceded in death by his father, Merle Bauer.

Micheal touched the lives of many with his smile and trademark sense of humor. He truly cared about people and had a heart of gold. God bless his memory.

Take Time

Take time for service:
It is the source of happiness.

Take time to live:
It is the secret of success.

Take time to think:
It is the source of power.

Take time to play:
It is the secret of youth.

Take time to read:
It is the foundation of knowledge.

Take time to laugh:
It helps to lift life's load.

Take time to dream:
It hitches the soul to the stars.

Take time for God:
It is life's only lasting investment.
