Memories of the Heart

Feel no guilt in laughter
She knows how much you care,
Feel no sorrow in a smile
That she's not here to share.

So talk about the good times
The ways you showed you cared,
The days you spent together,
All the happiness you shared.

Let memories surround you
A word someone may say
Will suddenly recapture
A time, an hour, a day.

That brings her back as clearly
As though she were still here,
And fills you with the feelings
That she is always near.

For if you keep those memories
You will never be apart,
And she will live forever
Locked safe within your hearts.
