It Broke Our Hearts

***It broke our hearts to lose you,
But you didn't go alone
A part of us went with you
The day God took you home.***

***A million times we've missed you
A million times we've cried,
If love could have saved you
You never would have died.***

***Now to the grave we travel
The flowers placed with care
No one knows the heartache
As we turn to leave you there.***

***If tears could build a stairway
And heartache make a lane
We'd walk a path to Heaven
And bring you back again.***
