Gift of Life

God gives us each a gift of life

To cherish from our birth.

He gives us friends and those we love

To share our days on Earth.

He watches us with loving care

And takes us by the hand,

He blesses us with countless joys

And guides the lives we've planned.

Then, when our work on Earth is done,

He calls us to His side,

To live with Him in happiness

Where peace and love abide.
