## *Garden of Memory*

God's finger touched him  
and he slipped away  
From earth's dark shadows  
to a brighter day;  
God saw the road was getting rough  
and the hills were hard to climb;  
He gently closed his weary eyes,  
and whispered, "Peace be thine".  
To a beautiful garden this friend has gone,  
to a land of perfect rest;  
Though he is gone, he still lives on  
in the garden of memory.
