*I'm There Inside Your Heart*

Right now I'm in a different place  
And though we seem far apart  
I'm closer than I ever was...  
I'm there inside your heart

I'm with you when you grieve each day  
And when the sun shines bright  
I'm there to share the sunsets, too...  
I'm with you every night

I'm with you when the times are good,  
To share a laugh or two,  
And if a tear should start to fall...  
I'll still be there for you.

And when the day arrives  
That we no longer are apart  
I'll smile and hold you close to me...  
Forever in my heart.

For I know the  
*Plans*  
I have for you,  
declares the *Lord*  
Plans to *Prosper* you  
and not to harm you  
Plans to give you  
*Hope* and a *Future*
