God Saw He

*God saw he was getting tired
And a cure was not to be
So He put His arms around him
And whispered, "Come to Me."*

*With tearful eyes we watched him suffer
And saw him fade away.
Although we loved him dearly
We could not make him stay.*

*A golden heart stopped beating;
Hard working hands put to rest.
God broke our hearts to prove to us
He only takes the best.*

Everything The Darkness Could Not Kill

John Mark Green

*Life has tried to break me,
the wounds have not yet healed.
But I am not a victim,
never been and never will.
My heart was born a warrior,
each day I'm fighting still.
I am everything
the darkness could not kill.*
