ABIDE WITH ME

Abide with me; fast falls the eventide;
The darkness deepens; Lord, with me abide;
When other helpers fail, and comforts flee,
Help of the helpless, oh abide with me.

Swift to its close ebbs out life's little day;
Earth's joys dim, its glories pass away;
Change and decay in all around I see;
O thou who changest not, abide with me.

I fear no foe with Thee at hand to bless;
Ills have no weight, and tears no bitterness;
Where is death's sting? Where, grave, thy victory?
I triumph still, if Thou abide in me.

Hold then Thy cross before my closing eyes;
Shine through the gloom, and point me to the skies;
Heaven's morning breaks, and earth's vain shadows flee;
In life, in death, O Lord, abide in me.
