When Tomorrow Starts Without Me

*When tomorrow starts without me, And I am not there to see,
If the sun should rise and find your eyes all filled with tears for me...*

*I wish so much you would not cry the way you do each day...
While thinking of the many things we did not get to say.*

*I know how much you LOVE me as much as I LOVE you,
And each time that you think of me, please know I will miss you, too.*

*But when tomorrow starts without me, please try to understand,
That an Angel came and called my name, and took me by the hand.*

*And said a place was ready, in heaven up above,
And that I would have to leave behind all those I truly LOVE.*

*I had so much to live for, so much yet to do.
It seemed almost impossible that I was leaving you.*

*When tomorrow starts without me, do not think we are far apart
For every time you think of me, I am right here in your HEART.*
