I'm Still Here

I may be gone but please don't cry

Death is not the last goodbye

Death releases me of my pain

There will come a day we will meet again

Don't be blue and don't be sad

Think back to the fun we had

I am always here I hear you speak

In time of trouble it's me you seek

You don't see me but I see you

I will do my best to pull you through

Speak to me and I will hear

Never far I am always near

Be brave my love do not cry

See you again it's not goodbye
