Jessie Mason

After Glow

I'd like the memory of me
to be a happy one.

I'd like to leave an afterglow
of smiles when life is done.

I'd like to leave an echo
whispering softly down the ways,
Of happy time and laughing times
and bright sunny days.

I'd like the tears of those who grieve,
to dry before the sun
Of happy memories that I leave
When life is done.
