## **Garden of Memory**

God's finger touched him  
and he slipped away

From earth's dark shadows  
to a brighter day;

God saw the road was getting rough  
and the hills were hard to climb;  
He gently closed his weary eyes,  
and whispered, "Peace be thine".

To a beautiful garden this friend has gone,  
to a land of perfect rest;

Though he is gone, he still lives on  
in the garden of memory.
