APRIL 30, 1928 – APRIL 15, 2022

*To Those I Love and  
Those Who Love Me*

When I am gone, release me, let me go -  
You have so many things to see and do.  
You mustn't tie yourself to me with tears  
Be happy that we had so many years.

I gave you my love. You can only guess  
How much you gave me in happiness.  
I thank you for the love you all have shown,  
but now it's time I traveled alone.

So grieve awhile for me if grieve you must,  
Then let your grief be comforted by trust.  
It's only for a while that we must part  
So bless the memories within your heart.

I won't be far away, for life goes on  
So, if you need me, call and I will come.  
Though you can't see or touch me, I'll be near,  
And if you listen with your heart, you'll hear  
All of my love around you, soft and clear.

And then, when you must come this way alone,  
I'll greet you with a smile, and say  
"Welcome Home."
