

Volodymyr Petrovich Puzlo, age 37, from Ukraine, Zolotonosha, passed away on Thursday, May 26, 2022.

Volodymyr was born on December 5, 1984, in Zolotonosha. He had a generous heart of gold, and never hesitated to help people. Since he was a very kind person at heart, his friends and family adored him. He was known for his friendliness and was never shy about letting people know that he loved them.

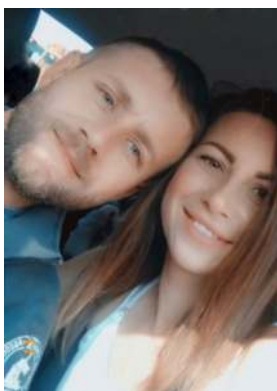

Whatever he had in mind, he was determined to carry out. Volodymyr was a hardworking, resilient man in the face of adversity. One of his favorite hobbies was fishing. He loved spending time with friends and family.

Volodymyr is survived by his wife, Alona; children, Sonia and Mark; parents, Peter and Lyudmila; and his older brother, Ruslan; as well as his large family and many friends.

We will all miss him more than words can express.

DECEMBER 5, 1984 – MAY 26, 2022

*He Only Takes The Best*

*God saw he was getting tired  
And a cure was not to be  
So He put His arms around him  
And whispered, "Come to Me."*

*With tearful eyes we watched him suffer  
And saw him fade away.  
Although we loved him dearly  
We could not make him stay.*

*A golden heart stopped beating;  
Hard working hands put to rest.  
God broke our hearts to prove to us  
He only takes the best.*
