MY FARM

My farm to me is not just land
Where bare unpainted buildings stand,
To me, my farm is nothing less
Than all creatures I love best.

My farm is not where I must soil
My hands in endless days I toil,
But where my horses like to roam
Wild turkeys and geese call home.
My hands feed them all with grace
And I'm here with a smile
God put on my face.

My farm, to me, is not just a place
Not modern I must say,
And no evil, greed, and selfishness
For here I love and see
What God has done for me.

My farm's a haven - here dwells rest
With peace, security, happiness
Here faith, hope and love abide.

And so my farm is not just land
Where bare unpainted buildings stand,
To me all animals God loves best
I fed and loved them all
Now God took me home to rest.
