In Tears We Saw You Sinking

In tears we saw you sinking
and watched you fade away
Our hearts were really breaking
but we could not make you stay.
God watched you as you suffered,
he knew you had your share
He tenderly closed your weary eyes
and took you in his care.
But when we saw you sleeping
peacefully free from pain
We could not wish you back
to suffer that again.
Our hearts still ache with sadness
and the secret tears still flow
What it meant to lose you
only God will know.
To the place of rest we wander
where we say a little prayer
No one knows the heartache
as we turn and leave you there.
