When Tomorrow Starts Without Me

When tomorrow starts without me,
And I am not there to see,
If the sun should rise and find your
Eyes all filled with tears for me...

I wish so much you would not cry
The way you do each day...
While thinking of the many things
We did not get to say.

I know how much you LOVE me
As much as I LOVE you,
And each time that you think of me,
Please know I will miss you, too.

But when tomorrow starts without me,
Please try to understand,
That an Angel came and called my name,
And took me by the hand.

And said a place was ready,
In heaven up above,
And that I would have to leave behind
All those I truly LOVE.

I had so much to live for,
So much yet to do.
It seemed almost impossible
That I was leaving you.

When tomorrow starts without me,
Do not think we are far apart
For every time you think of me,
I am right here in your HEART.
