God Made Tears...

*If every day brought sunshine,
and never any rain;
If all we knew was laughter,
and never any pain;
There'd be no way to soothe away
the hurts of people there;
If there were never cloudy days,
and never any storms;
We'd never know the comfort of
a Father's loving arms;
For sorrow stretches out the spaces,
leaving scars within;
But making room for quiet places,
and joy to live again.*
