THE LIFE OF

Cindy Bichler

AUGUST 16, 1962 – FEBRUARY 26, 2023

## In Tears We Saw You Sinking

In tears we saw you sinking and watched you fade away Our hearts were really breaking but we could not make you stay. God watched you as you suffered, he knew you had your share He tenderly closed your weary eyes and took you in his care. But when we saw you sleeping peacefully free from pain We could not wish you back to suffer that again. Our hearts still ache with sadness and the secret tears still flow What it meant to lose you only God will know. To the place of rest we wander where we say a little prayer No one knows the heartache as we turn and leave you there. Author Unknown
