Our mom gave us the world
Put it right at our feet
And with her at our side
There is nothing we cannot beat

Our mom was a woman
Who taught us to never lose sight
Though times may seem helpless
She taught us how to fight

She has shown us how
Through times of much sorrow
To look to the future
And new days of tomorrow

Even though times may be hard
And all we feel is pain
Remember, this too shall pass
Even the clouds and the rain

So it is with heavy hearts
And tears in our eyes
That we lay her down to rest
And say our last goodbyes
