Don't Be Too Sad

I've lived my life
I've tried my best
The memories I hold dear
Are experiences I have known
Of happiness and tears
The love of my family
The care of my friends
The good times I've shared
Right to the end
I've travelled life's byways
Seen children grow up
Experienced life's living
And drunk from love's cup
I leave you with memories
With thoughts of you all
I'm no longer with you
But your mind will recall
The good times we shared
The laughter we had
Please cherish these memories
And don't be too sad
