

Rebecca “Becca” Goter-Kuruc, of Woodworth, ND was taken suddenly and peacefully from her family and friends much too early at the young age of 42 on the evening of October 24, 2023.

Becca came into this world on January 13, 1981, in Carrington, ND as the first child of Dean and Deb Goter. She spent many years living in different parts of the US, including Texas, South Carolina, and Washington State. Rebecca was a “people” person and felt most at home in the service industry where she would always bring a smile to her customer's faces and enjoy carrying on a conversation with them. She returned to ND in 2015 living in Jamestown for the first 2 years and then moving to Woodworth where she worked at Tito's Tavern and soon after decided to become business partners with her brother Martin in 2019. She was also elected to the City Council of Woodworth, ND, and was a current member at the time of her passing.

Rebecca was an avid collector of dollar bills and coins and she always loved her crosswords, trivia games, and random facts. She enjoyed playing darts, pool, and pinochle; attending tournaments whenever possible. She had 2 dogs who were her “babies” and also enjoyed caring for her many plants. Orange was her favorite color and she would collect anything and everything that included it. One of her favorite pastimes was coming up with new flavors for the Woodworth Teas and introducing them to newcomers and regulars at the bar.

She is survived by her Parents, Dean and Deb Goter; her Brother, Martin (Adrienne) Goter; many Aunts, Uncles, Cousins; and her 2 dogs, Mercury and Xena. She touched the lives of so many people in her community, family, and the friendships she made; she will be missed by all.

In lieu of flowers please send donations to the Humane Society or the Prairie Paws organization in Jamestown, ND in Rebecca's name.

THE LIFE OF

*Becca*

---

JANUARY 13, 1981 – OCTOBER 24, 2023

In loving memory of Rebecca,

her presence brought delight, A soul adored by all, she bathed  
our world in light.

In the warm embrace of orange, she bloomed like a spring day,  
And with her loyal canine friends, she'd joyfully play.

In the company of dogs, she found companions so true,  
Their love and faithfulness, like a sky forever blue.

In the color orange's glow, her spirit will reside,  
Though we bid her farewell, her love won't subside.

As we gather here to say goodbye, in our hearts, she'll stay,  
In the memories we share and the words we can't convey.  
For Rebecca, cherished and loved by all who knew her so,  
In the colors of our love, her spirit will eternally glow.
