WASTÉ DÁKAPÍ WIN ~ EVERYONE LOVES HER

JULY 16, 1993 – MARCH 24, 2024

A Hug From Heaven

Don't be sad - I'm here with Jesus.
Don't be sad and please don't cry.
I'm right here ... I've never left you ...
Don't you know that love can't die?
I am safe and warm and happy
As I've never been before,
Seeing Jesus face to face was more
Than I had bargained for.

Understand my love surrounds you
In a way you cannot see
Feel it, sense it, trust it's presence
Have some patience. Let me be.
Do not waste another moment!
Give to God complete control
Of worries that concern you
And your heart and mind and soul.

As you speak, I'm right beside you.
As you walk, I'm by your side
Close your eyes and you'll see clearly
That my Spirit has not died.
Everyone's on earth for reasons
Man can't fully comprehend
But in heaven, I've seen clearly
Justice triumphs in the end.

Wake each day in joyful gladness
Knowing we're not far apart.
Look to Jesus for the answers ...
He will heal your broken heart.
But above all, please remember
There's no need for you to cry.
I'm right here! I've never left you!
Don't you know that love can't die?
